DESCRIPTION

- True Wireless headphones with ANC (Active Noise Cancelling) noise reduction technology.
- It has 3 listening modes: normal mode; ANC mode, in which external noise is reduced by up to 25dBs; transparent mode, where outside sound is emphasised so you know what's going on around you.
- It also has a high-quality microphone, which allows clearer communication in both videoconferences and phone calls.
- Includes touch controls with various functions.
- Each headset has a built-in 40mAh battery with a battery life of up to 5 hours* on a single charge, and thanks to its 350mAh base, each headset can be charged up to 3 times, giving you up to 20 hours of use without needing to charge the base.
- Type C USB charging port.
