DESCRIPTION

- Headphones compatible with Bluetooth 5.0 technology, with a minimalist and ergonomic design, making it easy for you enjoy your favourite music for hours.
- They have a 300mAh/3.7V lithium battery that has over 25 hours of uninterrupted life.
- Includes a hand-free function so that you can answer phone calls without taking the terminal out of your pocket.
- The audio input (3.5 mm jack) can be used even when the battery is dead.
- The control buttons on the actual headphones will make it easy to use any player (Play/Pause, Vol+/-, >>/<<).
- It has a micro-USB charger connection and includes a USB charging cable and a 3.5 mm audio jack.
- Foldable design.
